EDUCATION

Nitte Meenakshi Institute of Technology | B.E-Information Science | 2019| 8.39

KMWA PU college | PUC - PCMCs | 2015 | 78%

Carmel High School | Class X | 2013 | 81.12%

SKILL SET

- TCP/IP Networking
- Python
- Adobe Photoshop
- Network Packet Analysis
- Log Anaylsis
- HW & SW Troubleshooting

TOOLS

Burp Suite, Metasploit, Nmap, Wireshark, Nikto

IT CERTIFICATION

CEH - Certified Ethical Hacker Certification No: ECC8671293045

Cybersecurity Analyst CySA+ Certification No: FSKTJ9EHSHFQ1JCK

EXPERIENCE

Wipro, Project Engineer Jun'19 - Oct'20

Provide effective functions for end users by modifying applications using PeopleCode.

Support the development, testing and documentation of PeopleSoft applications in accordance with standard development practices.

PROJECTS

Anomaly Intrusion Detection System Using Feature Extraction

Implementation of different machine learning algorithms to automatically generate the rules for classifying network activities using NSL-KDD and IDS-2017 datasets.

Automation in Python

Python script which logins to Student Portal and displays attendance and marks using selenium.

Alert Mechanism for Homes Based On IOT

Created a prototype for the Intel IOT Roadshow/Hackathon showcasing an alert mechanism, using an Intel Galileo which acts a server and a client simultaneously.

ACHIEVEMENTS

Recipient of the Rajya Puraskar (Governor's award) scout award by The Bharat Scouts & Guides, India

Secured Distinction in IAIS examination, conducted by The University of New South Wales.
